NATURAL ELEGANCE

## LEDER VON WALTER KNOLL

### *Leather from Walter Knoll*

---

Es ist unvergleichlich warm, geschmeidig und wird mit der Zeit immer schöner: Leder. Bei allem Fortschritt hat sich der Umgang mit dem kostbaren Material kaum verändert. Nur mit reichlich Erfahrung und Feingefühl ist es möglich, Leder zu Meisterstücken zu verarbeiten. Ein jedes ein Unikat, individuell und einzigartig.

Auf über 150 Jahre Expertise in der Lederverarbeitung kann Walter Knoll zurückblicken. Weitergereicht von Generation zu Generation. In enger Zusammenarbeit mit den Spezialisten bester Gerbereien entstehen Leder in brillanter Farbigkeit, mit weichem Griff und individueller Natürlichkeit.

Unsere Philosophie „Natural Elegance“ fasst die Stoffe, Leder und Teppiche von Walter Knoll in Farbwelten zusammen. Materialien und Qualitäten unterschiedlicher Haptik und Finishes, in verschiedenen Schattierungen und Nuancen, die ihre kultivierte Farbigkeit und sensiblen Strukturen zeigen.

Lassen Sie sich inspirieren.

Exceptionally warm, supple and improving with time: enter the world of leather. Working with this precious material has barely changed in spite of all the human evolution and progress. Only with experience and refinement, leather can be utilized to produce outstanding pieces - each one unique, singular and one of a kind.

Walter Knoll has more than 150 years of expertise in leather work, handed down from generation to generation. Supple, exclusively natural leathers in brilliant tones are the result of our close collaboration with specialists from the best tanneries.

Our philosophy “Natural Elegance” is imbued in Walter Knoll fabrics, leathers and carpets. These materials and their qualities are characterized by different feels and finishes, in varying shades and nuances that show their refined colors and textured structures.
